Dear Mr Danushi, dear Dr Nesturi,

I would like to thank you for your letter drawing attention to the still unresolved situation in the area of property rights in Albania. The letter, including your proposal for a draft law, was forwarded for information to the European Parliament's Subcommittee on Human Rights as the parliamentary organ dealing more specifically with the issues dealt with in the letter, and has been forwarded to interested Members of the Subcommittee.

In the European Parliament's resolution of 13 December 2012 on the 2012 progress report on Albania, Parliament emphasised the importance of clarifying property rights and fully implementing the national strategy and action plan regarding these rights. The need for thorough consultation with all stakeholders during this process was underscored, and Parliament called on the European Commission to provide support for the implementation of the strategy and action plan.

I can assure you that Parliament will continue to follow the issue in the framework of the integration process of Albania.

Yours sincerely,

Rosemary Opacic
